Clarifying Your Core Values:

After reading your speeches a few times, what comes to the surface?
Look for common themes and ideas, and begin identifying some values from them.

Now, take your common themes and use them to generate a list of core values. Don't edit, just write!

75TH BIRTHDAY WORKSHEET

Once you have some ideas for core values from this list, begin prioritizing them. If you could only keep one, which would it be? Continue this process until you narrow your list to 5 to 10 values.

Give each value a compelling name:
